

Ipswich Town Football Club

CHARITY REQUEST FORM

With the increase in demand for charitable support, the Club aren't able to assist everyone to the extent they, or we, would like. However, where we are able to, we do our best to support our fans with their fundraising by offering a donation of two tickets to a home game at Portman Road. This ensures we can support as many causes as possible. Our criteria is set out below. If you're not eligible, please do not apply.

To be eligible for a prize donation you must:

- Have a registered customer number with Ipswich Town Football Club.
- Be raising funds for an organisation registered with the charity commission OR an FA charter standard youth football team.
- Have an official letter on headed paper from the organisation, confirming you are raising funds on their behalf.
- Be within a 35-mile radius of Ipswich Town Football Club.
- Have an event taking place during the football season.
- Contact the Club no more than two months in advance of your event and no less than three weeks.
